

MANAGEMENT LIABILITIES SERVICES OVERVIEW

ARE YOUR MANAGERS CAPABLE OF HANDLING ANY POTENTIAL INCIDENT?

- Businesses require keen management teams with comprehensive processes to avoid both internal and external risks. Failing to adopt a comprehensive approach exposes your business to potentially costly hazards. We can provide you with step-by-step checklists, risk management guidance and other valuable resources to help bolster your management team so you can handle any potential incident.

ARE YOU TAKING THE PROPER STEPS TO ENSURE THAT YOUR EMPLOYEES HAVE A SAFE AND PRODUCTIVE WORK ENVIRONMENT?

- Your managerial processes should protect your business' interest as well as the safety of your employees. With our robust library of resources, you can achieve that important and necessary balance with management guidance, general workplace policies and cover overviews that help limit your senior managers' liability.

HOW DOES YOUR BROKER HELP YOU REINFORCE EFFECTIVE MANAGEMENT PRACTICES?

- We're dedicated to the ongoing support of your business needs. We'll help you form a well-rounded management system. We'll also provide you with access to our ever-expanding library of management resources, making it easy to provide guidance and support whenever it may be needed.

COVER OVERVIEWS

Read through overviews of particular covers in order to gain a better, more complete understanding of how to protect your business from risks.

GENERAL WORKPLACE POLICIES

Use the provided sample policies to help your business create its own bespoke policies and limit its senior managers' liability. Each sample policy outlines what content and information must be included to help alleviate any guesswork.

RISK EXPOSURE SCORECARDS AND RISK ASSESSMENT CHECKLISTS

Evaluate the effectiveness of your business' risk management programme as well as your health and safety practices with our scorecards and risk assessment checklists. These documents give you a simple list of boxes to tick to help quantify your risk and provide tangible ways you can improve.

RISK INSIGHTS

Bolster your organisation's risk management programme with our Risk Insights series, which covers a variety of general and industry-specific topics. Each article offers an in-depth understanding into potential risks that your business may encounter and how you can protect against them.

THE MANAGEMENT FILES

Round out your business' management practices with our Management Files series. Every document outlines pitfalls of common management situations, offers guidance on how best to navigate these complex circumstances and provides best practice guidance for limiting managerial liability.
